

Complete Formulation For On-The-Go Re-Hydration Totally Sugar Free

More than just an electrolyte!

Replaces fluids and nutrients lost through sweat and heavy exercise.

Mega Jug replaces essential vitamins, minerals, amino acids and fatty acids that are excreted and / or burned through heavy workouts, gaming, racing, and dealing with hot weather.

Use Mega Jug before and after racing or competing. Prevent fatigue.

Two doses (50 ml) prior to event. Two doses (50 ml) after race or event. On workout days or exercising days use 1 dose (25 ml).

100 ml * 4 dose * tube
